Mr. William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

I am pleased to accept your invitation to join other college presidents in visiting the Central Intelligence Agency on October 12. It should be an interesting and informative day.

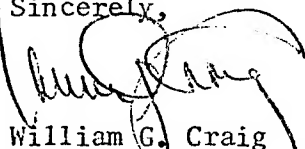

I had already scheduled a trip East during October and my wife will be accompanying me. Is the program on the 12th something which she could attend?

Will any information follow regarding this visit, or should I just plan on arriving at your offices at 9:00 a.m. on the 12th. When spoke with my assistant, she was not sure I would be able to attend and did not get the specifics on the day.

STAT

I look forward with pleasure to seeing you again.

Sincerely,

William G. Craig
President
